## **EMERGENCY PROCEDURES** 24 HOUR ADVICE IN A TRANSPORT EMERGENCY ONLY: 0800 387 668 IF THIS HAPPENS DO THIS Tanker/Vehicle Switch off engine and electrical equipment. Keep people away, warn other traffic. Check for spills, leaks. Call the emergency services: Accident DO NOT touch or walk through spilled material. Wear PVC overalls, chemical resistant gloves, facemask or goggles. Stop leak when safe Spill or leak to do so. Prevent entry into waterways, drains, or confined areas. Small Spill: Pick up with sand or other non-combustible absorbent material and place into containers for later disposal. Large Spill: Dike far ahead of liquid spill for later disposal. Cover powder spill with plastic sheet or tarp to minimize spreading. Prevent entry into waterways, drains or confined areas. Wash down affected area with water plus detergent. Absorb and collect washings and place in the same sealable container for disposal. Seek advice from the local authority Fire Call the Fire Service: Dial 111. Keep non-involved persons away. When fighting fire wear full protective clothing and self-contained breathing apparatus. Prevent fire extinguishing water from contaminating surface water or the ground water system. Collect contaminated fire extinguishing water separately. This must not be discharged into drains. Fire residues and contaminated fire extinguishing water must be disposed of in accordance with local regulations Small Fire: Use dry chemical, CO2, water spray or regular foam. Large Fire: Use water spray, fog or regular foam. DO NOT scatter spilled material with high-pressure water streams. Move containers from fire area if you can do it without risk. If area is heavily exposed to fire and if conditions permit, let fire burn itself out since water may increase the area contaminated. **FIRST AID** 24 HOUR ADVICE IN A MEDICAL EMERGENCY ONLY: 0800 111 174 No hazards which require special first aid measures. Consult a physician after significant exposure. For advice contact the National Poisons If Swallowed Centre 0800 POISON (0800 764 766) or a doctor If in Eyes If easy to do, remove contact lens, if worn. Hold eye open and rinse slowly and gently with water for 15-20 minutes. If eye irritation persists, consult a specialist. If on Skin No hazards which require special first aid measures. If on skin, rinse well with water. Wash contaminated clothing before re-use. If Inhaled No hazards which require special first aid measures. Consult a physician after significant exposure STORAGE AND SEGREGATION SUMMARY Storage: Store in original container in a cool, dry, ventilated place away from direct heat or direct sunlight. Store away from foodstuffs, children and animals. Keep container sealed when not in use

Aggregate Storage Volume Thresholds: When stored with substances of the same hazard the aggregate quantity must be considered. For full details refer to the current NZS8409 Management of Agrichemicals and the HSNO Regulations.
